

CONTAINER

BUILDING THE FUTURE

Manufacturer of
Prefabricated & Portable
Office Containers.

About Us

Mk Container is a leading manufacturer of new, multi-purpose portable buildings. Located in Bhavnagar, India. Our company is able to deliver high-quality porta cabins at excellent prices to all destinations worldwide. The resulting experience, expertise, and skills with modern facilities, equipment and technology have certainly shaped exceptional products to meet standard features.

The approximate range of our portable offices is designed and developed based on standard ISO specifications and conditions. Basically, almost all of our cabins are structurally highly stable. Therefore almost all our cabins are in high demand due to the highest quality range material. Finally, they can also be moved via crane and truck/trailer.

We offer all types of container offices...

- Bunk Houses
- Portable Office
- Security Cabins
- Site Offices
- Customized Offices
- Farm Houses
- Portable Toilet Blocks

PORTABLE OFFICE SOLUTIONS

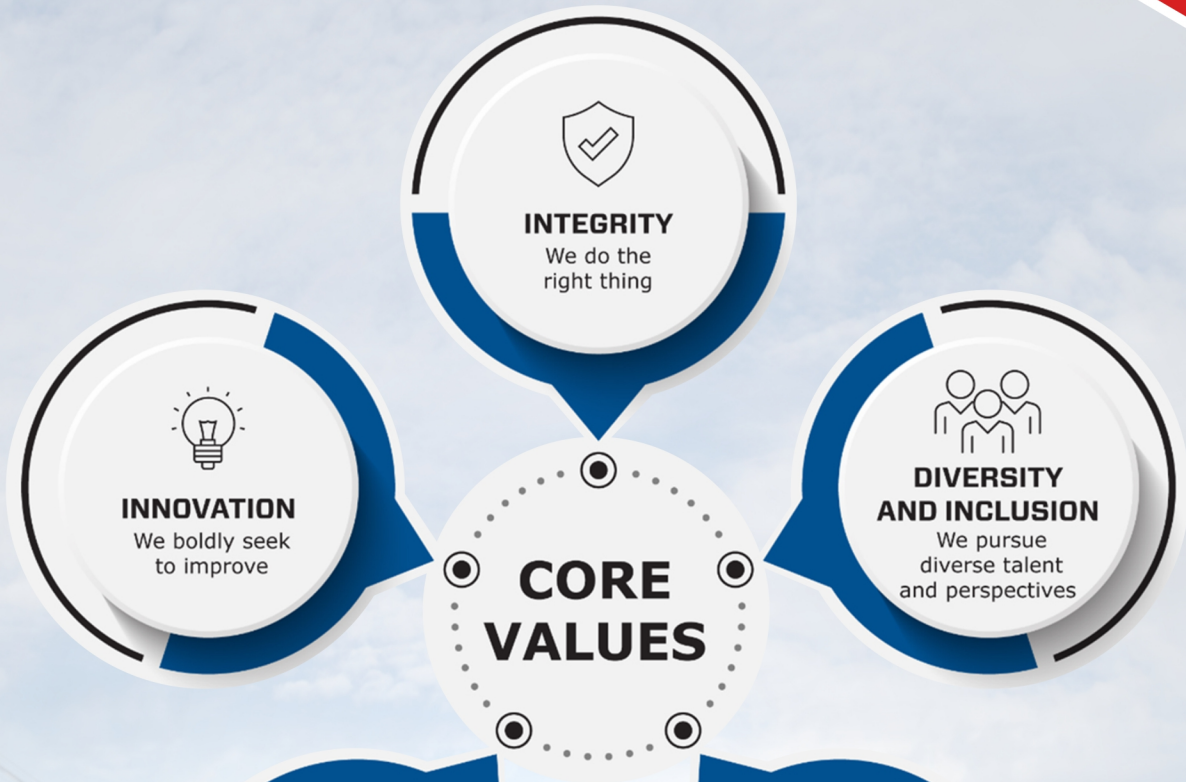

We hold expertise in manufacturing and supplying a high-grade Portable Cabin. Our offered cabin is designed in various patterns, sizes, and shapes as per the client's requirements. It is manufactured using the finest quality raw material and advanced technology.

We are the leading manufacturer and supplier of Readymade Cabin that is fabricated using grade basic material, procured from reliable vendors of the market, as per the set industry norms. The entire range of cabins is available in various specifications to meet the application requirements of the clients.

Portable cabins are an easy and cost-effective solution for a variety of problems. These cabins can be used for storage, mobile shops, changing rooms, or even as housing. They are easier to construct and can be moved around the property quite easily.
